

DMInteract[®]

DMInteract Smart Wall Touch - Where
Innovation Meets Intuition, Switching
Tomorrow Today!

Timer Setting

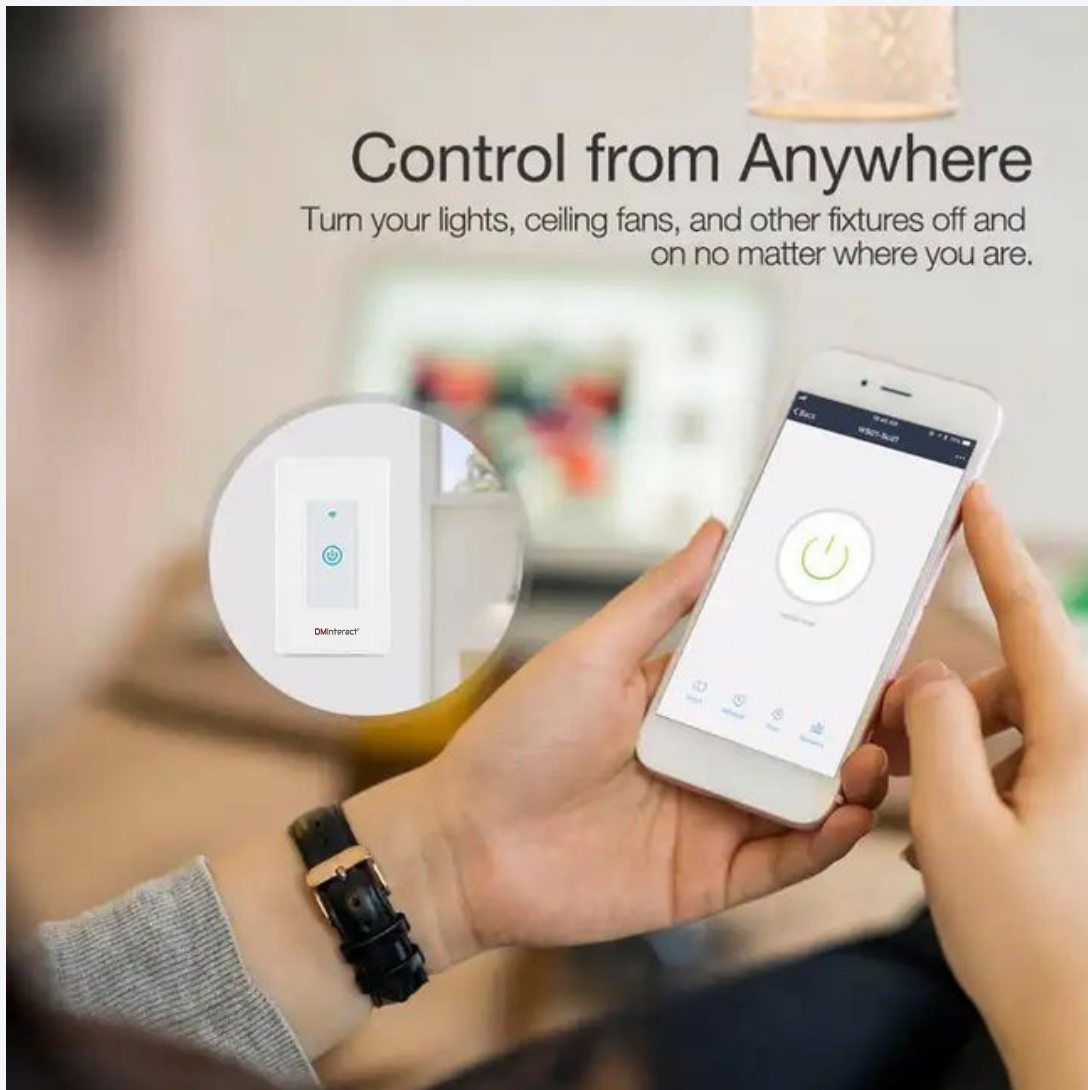

Timer Setting

Add schedules with the Smart Life APP
Set the exact time to automatically turn on/off the light

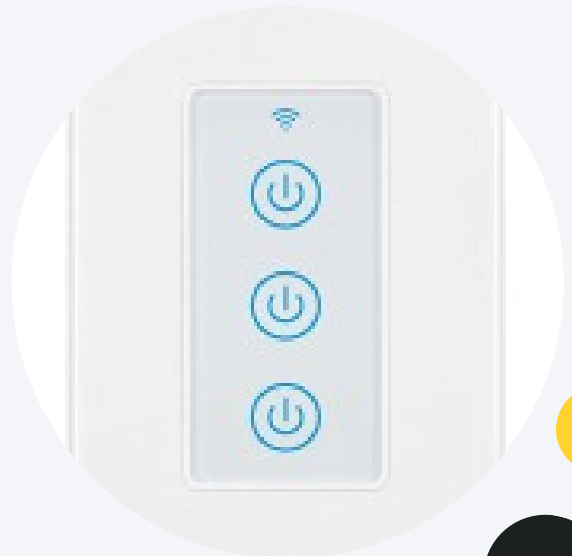

The DMInteract Smart Wall Touch 1/2/3 Gang WiFi Switch with Voice Control and Timer Setting brings unparalleled convenience to your home automation experience. With seamless integration into the Smart Life app, this innovative switch allows you to effortlessly add schedules for your lighting fixtures. Imagine being able to set the exact time for your lights to automatically turn on or off, all with a few taps on your smartphone.

Voice Control Integration

Embrace the future of hands-free control with seamless integration with popular voice assistants such as Amazon Alexa or Google Assistant. Experience the ease of commanding your smart devices with simple voice prompts.

Available in 1/2/3 Gangs
